# Coweta Connections

## Update from the City Manager

*Roger Kolman*

Spring is universally known as a time for renewal and growth, and Coweta is no exception to that axiom. By the time this newsletter reaches your mailbox, several new businesses will have opened, or will be about to open, to serve Coweta's citizens and visitors. A number of those businesses are nationally branded retail stores that have planted their flags in Coweta, including: Taco Bell, Casey's General Store and QT. Another national brand, Taco Bueno, is expected to open in the Broadway District in late spring.

The appearance of these nationally branded retailers is related in part to the steady growth in the number of new homes that have been built in Coweta over the last decade, a trend that is expected to continue well into the future. As part of that growth, we expect to see several new housing subdivisions along the 111th Street corridor that will bring thousands of new residents to our community, which will inevitably lead to more retail and commercial growth in Coweta.

As Coweta continues to grow, we seek opportunities to work with and gather information from our citizens and business community on how to continue making Coweta a great place to live, work and play. In the next few weeks we will be launching a citizen satisfaction survey that will help gather some of that information and I strongly encourage all citizens to take advantage of that opportunity to provide feedback on what they would like to see happen in Coweta. Additionally, we are in the planning stages of a *Coffee with the City* campaign to bring people to City Hall on a Saturday morning on a regular basis to meet with city officials in an informal setting to discuss various Coweta centric topics. Please watch Facebook and the City's website for more information about these and other important topics.

## Coweta Public Library Events

### Beginners Crochet Class

Feb. 3rd & 17th at 10:30 AM. Please sign up as space is limited.

littleBits makes a platform of easy-to-use electronic building blocks empowering everyone to create inventions, big or small. They are color-coded, magnetic, and reusable.

**ANCESTRY LIBRARY EDITION**  
Search Census files, burial records, and military files.

## Keep Our Community Safe

## Call Before You Dig

Be smart and be safe and **dial 811** BEFORE you dig.

It's a FREE service by OKIE811 that ensures your digging does not result in costly repairs, utility disruption, property destruction, or life-threatening emergencies for you, your family, or your neighbors.

All homes contain many types of underground utility lines, many just inches below the surface. Contacting OKIE811 will quickly and easily begin the process of getting the approximate location of underground lines marked for free before starting any home projects that require digging or excavation.

Dial 811 at least 48 hours (excluding Saturdays, Sundays and legal holidays) prior to your planned excavation. In minutes affected local utilities will be notified and they should have the approximate location of their facilities marked within 48 hours (excluding Saturdays, Sundays and legal holidays).

OKIE811 will tell you which of our member companies will be notified about your excavation near their underground lines. We will provide you with a reference number that serves as proof of your call. We also keep a complete record of your call to verify your compliance with the law.

You may also need to contact the local utility to make sure you are not planting too close to utility service pedestals and meters. This could cause potential problems as trees or shrubs grow and mature.

Begin your home project with the peace of mind in knowing you are utilizing safe digging practices while preserving vital services, protecting property and saving lives.

For more information: [www.okie811.org](http://www.okie811.org)

Call Okie is a nonprofit, statewide service provided by members of Oklahoma One-Call System Inc.

OPAL (Oklahoma Pipeline Awareness Liaison)

## Winter/Spring Public Works Update:

### Household Pollutant Disposal Event:

There will be a household pollutant special event on March 24-25 from 8AM to 2PM. The drop-off location is 4502 S Galveston in Tulsa. Information on this recycling event, including what items can and cannot be accepted, can be found on the City of Coweta and the M.e.t. web pages: <http://www.cityofcoweta-ok.gov/Residents/NewsAnnouncements.aspx> <http://metrecycle.com/upcoming-events/>

### Solid Waste Disposal Event:

In conjunction with the ODOT Annual Trash OFF, the City of Coweta and the Coweta Public Works Authority will be sponsoring a Free Dump Day for the citizens of Coweta on April 21st from 8AM to 4PM.

The event location is tentatively planned to take place at the Wagoner County Fairgrounds (30058 East 147th Street South). Any change in location will be posted on the City web page and Facebook page. The following items WILL NOT be accepted: any type of hazardous waste, chemicals, led based paints, petroleum products, tires, batteries and construction debris.

Any and all metal items can be dropped off at the Coweta Public Works yard located at 30151 E Hwy 51.

## Eggstravaganza is coming back!

Watch the Coweta Chamber of Commerce website for details – [www.business.cowetachamber.com](http://www.business.cowetachamber.com)
